

Mrs. Kinkelaar's Preschool Class Bowman Primary School 2024 - 2025

Welcome to Preschool! My name is Karin Kinkelaar and I will be your child's preschool teacher this year. I have twenty-nine years of teaching experience with a variety of age groups and have taught in three states. This is my eighth year with the Lebanon City Schools. I have triplet sons who turned 25 this summer. I like to read, exercise, and travel in my spare time. I am so excited for this school year!

You have received a letter from our school office with a parent/teacher conference time scheduled for mid-August. This allows us an opportunity to meet both you and your child in a quieter setting to get to know one another, as well as to complete necessary paperwork and explain our program.

Children develop so much during their preschool years. As you prepare for the school year, I ask that you take a moment to think of how you'd like your child to grow this year. Are you hoping that they will grow by fostering friendships? Learn independence? Be academically sound for the transition to kindergarten? Develop problem-solving skills? During our initial parent-teacher conference, I'll be asking you about how you envision preschool for your child so that we can determine what our goals are for your child in preschool this year.

I look forward to seeing you soon!
