

Welcome to Third Grade!

Dear Third Grade Students and Parents:

Welcome to third grade at Donovan Elementary School! It is a brand new year and third grade is going to be very exciting! You will learn a lot of new and interesting things, so dust off your thinking caps and come ready to begin our adventures!

Below are some helpful tips to get you ready for the school year:

1. Please review addition and subtraction facts to 18. We will be moving into multiplication and division and knowing your addition and subtraction facts will help tremendously!
2. READ! Books from the library, on a tablet or kindle, graphic novels, or signs around town! When you finish reading let your parents ask you questions about it. Try finding your answer in the text.
3. Having supplies ready the first day will help us begin a successful year of learning. Feel free to bring them the day of our conference. You may keep crayons/colored pencils in the original box. When buying devices for ears, earbuds are preferred rather than headphones as they are easier to store.
**In addition to the third grade supply list, your child will need a 1-inch binder (any color). If you are also able to provide a bag of assorted candy for classroom use, we would greatly appreciate it!
4. We will be doing many typing activities throughout the school year. You can start practicing now at www.typingclub.com.
5. School fees can be paid utilizing the PaySchools link on the Lebanon Schools website.

We are very excited to meet you and we look forward to a great year of working together!
