Lebanon's Christmas for Tots is a non-profit organization that gives gifts to children in need at Christmastime. Members are volunteers who are dedicated to helping struggling families in our community. The group has been in existence for over 50 years and in 2023 gave gifts to more than 800 children within the Lebanon School district. We are a local organization that only assists families and children within our school district. Our donors know that the funds remain here locally.

The volunteers with Lebanon's Christmas for Tots would like to extend their gratitude to those families who have offered their support in the past. Through your spirit of giving and the willing attitude of helping others in need, Lebanon's Christmas for Tots remains a successful part of the Lebanon community. This organization is a wonderful opportunity to share with your child the spirit of helping those less fortunate. On behalf of the children served, thank you for your support this year.
