LEBAN HIGH SCHOOL TRAFFIC
& PICK UP/DROP OFF PROCEDURES:

Please be patient with the traffic if you are dropping off or picking up your child from school. There are a lot of vehicles coming and going each day, so here are a few points to help keep traffic moving:

- **Student parkers** - When arriving, please note the **20 mph** speed limit signs and drive with caution.
    - Student Spots 6-64 Click the link for specific directions.
    - Student Spots 68-130 Click the link for specific directions.
    - Student Spots 131-510 Click the link for specific directions.

- **Doors will open at 6:45.** When leaving, you must use the main entrance and stay out of the bus lot.

- **Parents dropping off (AM)** - ***Do not use the front parking lot or stop in front of the building***. Follow the arrows and pull around to the left side of the building and drop off your child in the drop off zone (between the signs). Please have your student exit the car quickly and then you can follow the white arrows to exit the bottom of the parking lot. **Doors will open at 6:45.**

- **Parents picking up (PM)** - ***Do not use the front lot or park along the drop-off drive***. Please pull into the student lot (by veering left at the Y) and find a parking space. Please do not drive through cones, barriers, or chains. Traffic will be stopped once the buses begin leaving the lot around 2:38, so you may have a 10-12 minute wait until all buses are off of the lot.

- **Visitor Parking** - There are many 30 minute parking spots in front and side of the building if you need to come to the main office or nurse's office (use front doors).

- **Student Pick-up During School and/or Early Dismissal** - If you need to sign your child out early, please park in the visitor spots at the side of the building near the student entrance. This is where the attendance office is located.

Please follow all of these guidelines and follow directions to those directing traffic to ensure a safe and quick loading and unloading zone. Thank you for your patience and help with this!
