

Attention Parents:

The 2025-26 Transportation Opt-In / Opt-Out window is now open! Please log in to your FinalForms account and update the Transportation Information form for the 2025-26 school year. Forms must be completed for **all students** by **April 18th** in order for students to be guaranteed a bus route during the first week of school.

To update your information, log in to [Final Forms](#) and click the large blue button that says: **CLICK TO SWITCH TO 2025-26 REGISTRATION.**

Please note: A form must be completed for *every* student, even if they are car riders, car drivers, or walkers.

This information is vital for planning bus routes and allocating resources effectively.

We appreciate your prompt response as we prepare for the upcoming school year!
